

## **PRIVACY POLICY**

The following discloses our information gathering and dissemination practices for this website: **www.dfe.com**

This site contains links to other sites. www.dfe.com is not responsible for the privacy practices or the content of such web sites.

Our site uses forms for customers and site visitors to request information, products, and services. We collect visitor's contact information (like their email address). Contact information from the order form is used to send orders and information about our company to the site visitor. The individual's contact information is also used to get in touch with him or her when necessary. Where we ask for information regarding a customer's industrial application, that information is only used to assist our applications engineers in determining what solutions are potentially applicable to that customer's situation.

Our online surveys ask visitors for contact information (like their email address). We use contact data from our surveys to send the user information about our company. The contact information is also used to contact the visitor when necessary. Users may opt-out of receiving future mailings; see the choice/opt-out section below.

### **Choice/Opt-Out**

Our site provides users the opportunity to opt-out of receiving communications from us and our partners at the point where we request information about the visitor. This site gives users the following options for removing their information from our database to not receive future communications or to no longer receive our service.
